theshivamiq – YouTube Quiz Plan

Oct 19, 2026 · @Adarsh Tiwari

Vision

theshivamiq ko India ka sabse mushkil detective quiz channel banana hai. Yahan log sirf video nahi dekhte, case solve karte hain, points kamaate hain aur leaderboard par apna naam dekhte hain.

Ye format 3 wajah se kaam karega:

- **Dimag ka khel:** har case mein jawab chhupa hota hai. Log pause karte hain aur dobara dekhte hain, isse watch time badhta hai.
- **Competition ka nasha:** speed points, weekly winners aur leaderboard se log roz wapas aate hain.
- **Asli inaam:** points ka value discount coupon mein milta hai, isliye log channel se jude rehte hain.

Earning ka source YouTube long video ke ads hain. Shorts aur Reels ka kaam sirf logon ko long video tak laana hai.

Content format

Ek long video = 10 cases, aur har case 2-3 minute ka. Video pehle YouTube par aati hai, phir usi se 2-3 Shorts/Reels nikalte hain.

Har case ka structure ek jaisa rahega:

1. **Hook (0-5 sec):** "Killer saamne hai. Pakad sakoge?"
2. **Crime scene, saboot pehle:** Shivam kamre mein ghoomta hai aur saboot 1-1 second ke liye casually dikhte hain. Koi ishara nahi hota ki kaun sa saboot zaroori hai.
3. **8-10 suspects ke bayaan:** inme se sirf ek bayaan kisi pehle dikhe saboot ko todta hai.
4. **Shivam ka galat ishara:** Shivam jaan-boojh kar kisi masoom par shak dikhata hai.
5. **Sawaal:** "KILLER KAUN? Pause karo, wapas dekho, comment karo."

Niyam	Kyun
8-10 suspects	Teer-tukke se sahi hone ka chance sirf 10%
Killer ka number random	Log "hamesha aakhri wala" pattern na pakad sakein
Har masoom ke paas ek shak wali baat	Pehli nazar mein galat aadmi par shak jaaye

Niyam	Kyun
Sirf ek bayaan saboot se takraaye	Jawab mein kabhi takraav nahi
Naam alag-alag akshar se	Comment checker galti na kare
40 alag patterns, baari-baari	Koi ek pattern yaad na kar sake

Difficulty levels

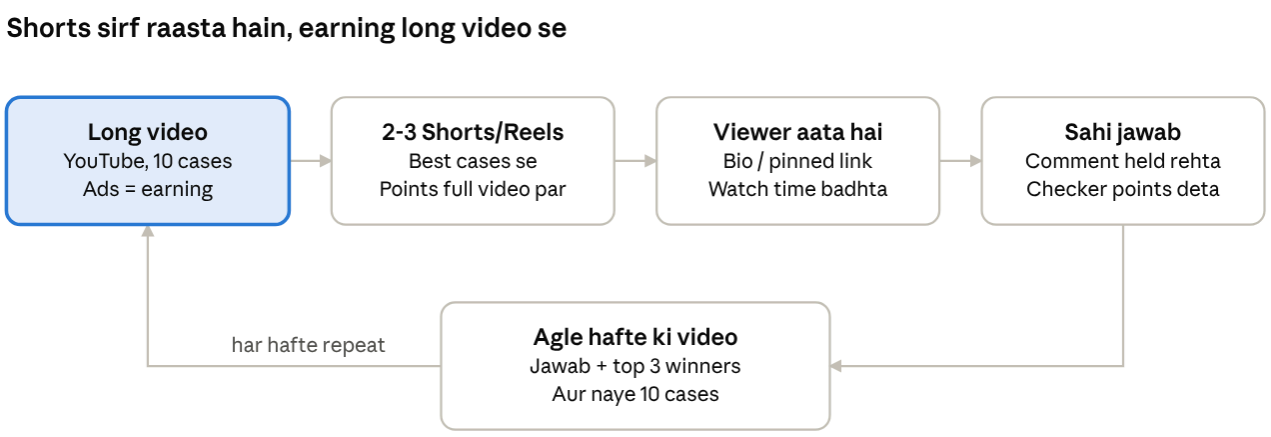

Har long video mein 5 Medium, 3 Hard aur 2 Very Hard case. Video aasaan se shuru hokar sabse mushkil par khatam hoti hai, taaki log aakhir tak rukein.

Level	Cases	Clue kaisa hota hai	Example
Medium	5	Saboot aur bayaan dono video mein hain. Dhyaan se dekhne par pakda jaata hai	Bulb fuse tha, phir bhi "light jala ke akhbaar padha"
Hard	3	Ek bahar ka fact Google karna padta hai	Mumbai mein samundar se suraj nahi ugta (samundar west mein hai)
Very Hard	2	2-3 kadam jodne padte hain: video ka saboot + bahar ka fact	Story 2016 ki hai, aur "naya peela note" (₹200) 2017 mein aaya

Bahar wala fact hamesha **pakka aur Google par milne wala** hona chahiye, aur story mein natural lagna chahiye, quiz jaisa nahi. Video ke andar ka koi saboot (date, shehar, tyohaar) us fact se judta hai.

Funnel: shorts se long video tak

Golden rule: Shorts mein sawaal milega, jawab aur points sirf long video mein. Har short ke end mein: "Points sirf full video par milte hain. Link bio mein."

Shorts se long video tak · har hafte ka chakkar

Jawab agle hafte ki video ki shuruaat mein aata hai, isliye jo aaj comment karta hai wo agli video bhi dekhta hai. Link teen jagah rahega: bio, pinned comment aur Insta story ka link sticker.

Points system

Points sirf YouTube long video par, sirf sahi jawab ke comment par, aur 10 points = ₹1. Instagram ka purana points system 1-2 hafte aur chalega, tab tak YouTube ka naya system taiyaar ho jaayega.

Kaam	Points
Sahi jawab	10
Speed bonus (video aane ke baad jitni jaldi, utne zyada)	10 tak
Case par pehle 3 sahi jawab	10 / 7 / 5
Galat jawab (koshish)	0
Like, subscribe ya follow	0 (kabhi nahi, YouTube niyam)

Har video par max points fix rahenge, taaki kharcha control mein rahe. Ek case par max 30 points, matlab ek video (10 case) par ek player max 300 points = ₹30 kama sakta hai.

Andar ka hisaab (public nahi): har mahine coupon ka kul budget YouTube earning ka 50% hoga. Checker har mahine dikhayega ki points ka kul value budget ke andar hai ya nahi.

Rewards

Points ka inaam discount coupon ke roop mein milega, aur coupon channel par 1 million views + 50k subscribers hone ke baad har hafte milenge. Ye baat pehle din se rules page par likhi rahegi.

- **Cash nahi, coupon:** kisi bhi kharidaari ya recharge par max 90% tak. Example: ₹300 ka recharge = ₹270 coupon se, ₹30 player khud dega.
- **Recharge/kharidaari hum khud karwayenge**, kyunki "har jagah chalne wala" coupon code hota nahi. 90% ki limit isi tarah lagti hai.
- **Har hafte ek fix din**, jaise har Sunday coupon.
- **Ek insaan = ek account:** coupon se pehle phone/UPI verify, aur account kam se kam 1 mahine purana.
- **Pehle balance jama, phir ghoshna:** jab active players ke paas lagbhag ₹200-500 jama ho jaayein, tab bade announcement ke saath coupon shuru.

Public rules page par likhna hai: entry free hai, contest skill par hai, kuch kharidna zaroori nahi, aur YouTube iska sponsor nahi hai. 50% wali baat public nahi hogi.

YouTube niyam: green, grey, red

Subscribe aur follow ki request karo, par inaam sirf sahi jawab ke comment par do. Like/subscribe ke badle inaam YouTube ke Fake Engagement niyam ke khilaaf maana jaata hai, aur earning wahi channel hai.

Zone	Kya	Faisla
Green	"Contest mein shaamil hone ke liye sahi jawab comment karo"	Karo
Green	"Humse jude rehne ke liye subscribe karo, Insta follow karo" (bina inaam)	Karo
Green	"1M views + 50k subscribers hone par coupon shuru" (channel ka target)	Karo
Green	Winners ke naam video mein, speed/streak points, shorts se long video ka link	Karo
Grey	Subscribe karne walon ko bonus points	Mat karo
Grey	Coupon ke liye Instagram follow zaroori	Mat karo
Grey	"1 lakh likes aaye to agla case jaldi", share ya tag ke points	Mat karo

Zone	Kya	Faisla
Red	Coupon sirf unhe jinhone like + subscribe + follow kiya	Kabhi nahi
Red	Like/subscribe/follow ke points, entry fees, sub4sub, views kharidna	Kabhi nahi
Red	"YouTube ke saath milkar contest" kehna	Kabhi nahi

Coupon shuru karne se pehle YouTube contest policy ek baar padh lena. Upar ki baatein bahar ke contest guides se hain (Gleam), aur unme kuch raay alag hai.

Cheating se bachav

Sabse bada khatra copy karna hai. Iska hal hai "Hold all comments for review". Comments kisi ko dikhte nahi, par checker unhe padh kar points de deta hai.

Khatra	Hal
Doosre ka jawab copy karna	YouTube Studio mein "Hold all comments for review" on. Jawab agle hafte ki video mein
Ek banda 10 fake account	Coupon se pehle phone/UPI verify. Account kam se kam 1 mahine purana
Telegram/WhatsApp par jawab leak	Speed points sirf pehle jawab dene walon ko. Jawab kabhi naam, kabhi number, kabhi cheez
Pattern yaad kar lena	40 patterns baari-baari, killer ka number random
Kharcha budget se zyada	Har video par max points fix. Checker mahine ka hisaab dikhayega
